

## Maxi free-standing Beacons / Rotating Mirror Light 883

**Rotating Mirror Beacon BM 12VDC GN**

Part No.: 883.200.54

**MECHANICAL DATA**

|                              |                             |
|------------------------------|-----------------------------|
| Height                       | 218 mm                      |
| Diameter                     | 142 mm                      |
| Materials                    | PC<br>PC/ABS                |
| Dome colour                  | Green                       |
| Housing colour               | Black                       |
| Protection category          | IP65                        |
| Connection                   | Screw terminals             |
| cross-sectional area maximum | 1,50mm <sup>2</sup> / 16AWG |
| Cable entry                  | Rubber pinch                |
| Cable entry minimum          | d = 5 mm                    |
| Cable entry maximum          | d = 7 mm                    |
| Type of fixing               | Base mounting               |
| Service life optical         | 5,000 h minimum             |
| Working temperature minimum  | -30°C                       |
| Working temperature maximum  | +50°C                       |
| Weight with packaging        | 691 g                       |
| Product weight               | 541 g                       |

**ELECTRICAL DATA**

|                             |                    |
|-----------------------------|--------------------|
| Operating voltage           | 12V                |
| Operating voltage type      | DC                 |
| Operating voltage tolerance | +/- 10%            |
| Rated operational voltage   | 12 VDC             |
| Rated operational current   | 3000 mA            |
| Protection class            | Protection class 2 |
| Pollution degree            | 3                  |

**OPTICAL DATA**

|                          |              |
|--------------------------|--------------|
| Light source             | halogen bulb |
| Light colour             | Green        |
| Rotation frequency (rpm) | 180 U/min    |
